

RSD Series Rain Sensor

RAIN BIRD®

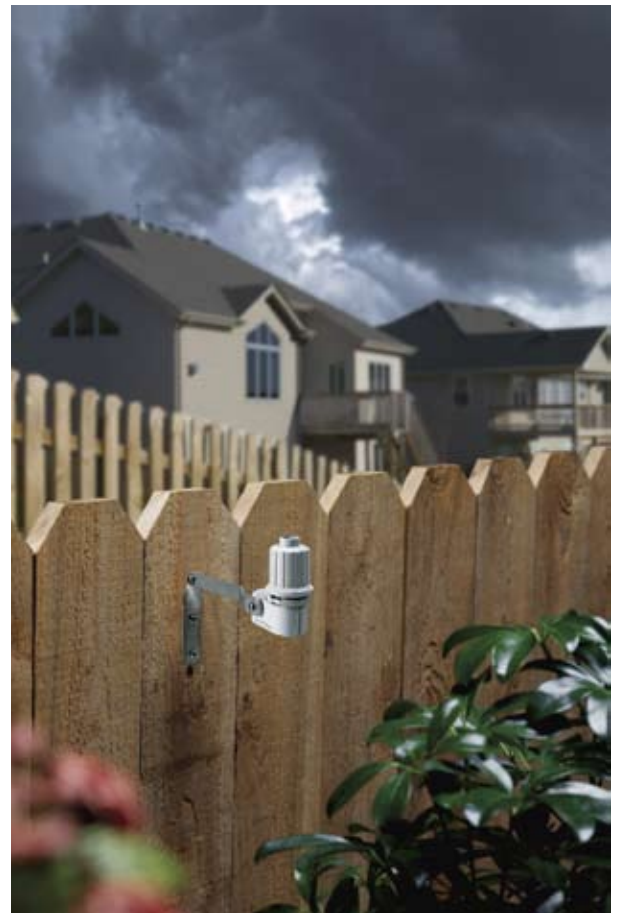

The Rain Bird® RSD Series Rain Sensor automatically shuts off your sprinkler system when it rains, so you don't have to worry when you're home or away.

Application:

The RSD Series Rain Sensor easily connects to most irrigation system controllers.

Outstanding Results:

- The RSD Series Rain Sensors offers flexible, multiple rainfall settings which are quick and easy to adjust with a twist of the dial.
- High-grade, UV-resistant body on an aluminum bracket easily resists the elements, ensuring hassle-free performance.
- An adjustable side vent ring allows the sensor to dry out once it collects water.
